### January 31, 2007

Elaine Wisniewski and Steven Hall will present an STC Web-telephone seminar, **ANSI Z535.6—A New Standard for Safety Information in Product-accompanying Literature**, from 1 to 2:30 PM Eastern Time. The seminar will focus on a new national standard for presenting safety messages in owners' manuals, ANSI Z535.6, *Product Safety Information*

in *Product Manuals, Instructions, and Other Collateral Materials*. This standard has been approved and is expected to be published by the end of 2006. For more information or to register, please visit [stc.webex.com](http://stc.webex.com).

### February 7, 2007

Heather Hedden will host an STC Web-telephone seminar, **Creating Indexes on Web Sites and Intranets**, from 1 to 2:30 PM Eastern Time. The seminar will address how managers of Web or HTML content can best meet the searching needs of their users. Learn the structure of HTML indexes and how they compare with site maps, taxonomies, and search engines. An overview of Web-indexing tools will also be provided. For more information or to register, please visit [stc.webex.com](http://stc.webex.com).

### February 15–19, 2007

The **American Association for the Advancement of Science (AAAS)** will hold its 2007 annual meeting at the Hilton & Towers San Francisco and Hotel Nikko San Francisco hotels in San Francisco, California. The meeting theme is "Science and Technology for Sustainable Well-Being." For more information or to register, please visit [www.aaas.org/meetings/Annual\\_Meeting/](http://www.aaas.org/meetings/Annual_Meeting/).

### February 21, 2007

Melanie Doulton and Makarand Pandit will present an STC Web-telephone seminar, **Working in Global Teams**, from 1 to 2:30 PM Eastern Time. The seminar is designed both for those just getting started in a virtual team environment and those who want to optimize their virtual relationships. It will be especially beneficial for participants working with teams in India; the speakers will discuss the state of technical communication in India and share the experiences of Indian technical writers working in virtual teams based on their 2005 survey. For more information or to register, please visit [stc.webex.com](http://stc.webex.com).
