

Preliminary Program to Be Mailed in February or March

The *Preliminary Program* for the Technical Communication Summit, STC's 55th Annual Conference—scheduled to be held June 1–4, 2008, in Philadelphia, Pennsylvania—will be mailed in late February or early March.

The Technical Communication Summit is the world's largest gathering of technical communicators. It provides a terrific opportunity to talk with professionals who share your interests, to discover new employment prospects, and to learn about fresh tools and strategies that can make your job easier. The *Preliminary Program* includes general information about technical sessions, networking opportunities, postconference workshops and tutorials, lodging and transportation, and registration details. To receive the early-bird rates, make sure you register by **March 17**.

As the conference approaches, don't forget to check the STC Web site at www.stc.org/55thConf/index.asp for more detailed information and updates. We look forward to seeing you in Philadelphia! ●
