

Technical communicators build a **better world**. **STC** builds a better technical communicator.

The Society for Technical Communication (STC) provides students with opportunities to grow their skills and network, while providing real-world career information through student membership.

- Heavily discounted dues and no enrollment fee
- Access to a personalized STC Education Report Card
- Membership in one student chapter and one professional chapter
- Membership in the Academic Special Interest Group (SIG) and one additional SIG
- Access to STC's new Career Center
- STC's Salary Database so you know where the jobs are and the average salaries in the field
- STC Mentor Board to foster personal and professional growth and development
- Discounts on professional certification in the technical communication field

- Member-only discounts on live webinars, online courses, and our annual Summit
- Online access to industry-leading publications Intercom, Technical Communication, and STC's Notebook blog
- Access to the Technical Communication Body of Knowledge (TC-BOK)
- Member discount program on software, products, and services
- Professional support through our global network of over 5,500 members
- Opportunity to contribute articles and blog posts to STC publications
